LUCA LANZETTA: TASTEMAKER

"DESIGN, FOR ME, IS A LIFESTYLE. EVERY MOMENT SHOULD BE LIVED IN A BEAUTIFUL ENVIRONMENT AND DESIGN CAN MAKE THIS HAPPEN."

LUCA LANZETTA launched his career in a unique way—by designing his own home. Since then, he has become a true connoisseur of design and a master of timeless interiors. Lanzetta, owner of Ernestomeda and Antonio Lupi showrooms, draws inspiration from the elegance of Italian living, most specifically the city of Milan and everywhere he travels—keeping his eyes open for something that grabs his attention. "In my designs, you can see a lot of my personality. Simple and sophisticated at the same time. Very linear...minimal. Nothing is overdone and very few pieces can make the space unique."

TASTES: I prefer an EFFEN Cucumber Martini. It's fresh and sophisticated.
